ABOUT TIA

TIA was founded in 2010 and focuses on transgender and intersex issues in previously disadvantaged communities in South Africa. TIA seeks to break the silence and stop the ignorance surrounding the existence of the black transgender and intersex people in African communities and bring knowledge of applicable terminologies and a better understanding of transgender and intersexuality. www.transgenderintersexafrica.org.za

ABOUT IRANTI-ORG

Iranti-Org is an African visual media organisation established in 2012. It works within a human rights framework to raise issues of sexual orientation and gender identities. To date, Iranti-org has documented hate crimes and human rights violations in the Northern Cape, Limpopo and Gauteng provinces. Iranti-org has also set up the African Queer Media Makers Network, which seeks to build the media making capacity of LGBTI activists in southern Africa. www.iranti-org.co.za
